WHAT DO WE OFFER?

Key Services

01

NETWORKING

We organize various meetings and social events, which are a great way to connect with like-minded people. We know how to combine business with the merits and fun!

02

REPRESENTATION

As a non-profit employers' union, our fundamental goal is the protection of the rights of BBC Members and the representation of their interests, particularly through economic and trade cooperation with government.

03

VISIBILITY

In the commercial environment, visibility relates to how easy it is for clients and potential customers to recognize and locate your place of business. Our marketing tools are at your disposal.
